This year's varsity cheerleaders made an appealing change. Shorter skirts made the scene as part of that change. Another was that of having seven cheerleaders instead of the traditional six. Marisue Harmon, Barb Schweinfurth, Nancy Kirner, Gemma Smith, Tammy Moosebrugger, and Kim Lauber were led by captain Mary Ann Palazzo.

The reserve cheerleaders worked hard to promote student participation at all reserve sport functions. Led by captain Debbi Kurilic, Jeananne Potter, Mary Beth Braeunig, and Priscilla Shaw also did a great job in helping the varsity cheerleaders at all pep rallies and games.

Though plagued by problems, the Streaks made a terrific come-back to end the season with a 7—3 record. For the second time in nine years the Buckeye Conference Crown was lost. Coach Reublin's team displayed a great defensive squad, with the offensive demonstrating its effectiveness towards the end of the season. They accepted defeat in the grace all good sportsmen do.

Six Streaks were named to the Buckeye All-Star team. Dick Sampson received tabs to the first offensive team while Dave Rather made second team. Steve Rogers and Lino Venerucci were given berths in the first defensive team. Junior Frank Basilone joined Rich Deeter on the second team. Steve Rogers was selected "Hitter Of The Year" by the coaches and Lino Venerucci was chosen "Most Valuable Player Of The Year." Also Dick Sampson was voted "Most Valuable Lineman" of this year's team.

Under the direction of Coach Reynolds, the 1968 reserve team finished the season undefeated though the three previous years' record of 3—9—1 had indicated otherwise. This season saw many fine performers on the field.

Mark Deming led the scoring attack with 63 points, while Rich Alexander and Ray Scott held the second spot with 42 points each. Several of the members were able to log some playing time with the Varsity. Ben Chapman, along with the lead scorers made up the backbone of Coach Reynolds' team.

Next year will see an addition to the Varsity that will certainly be a tribute to SHS football.

The 1968 edition of Sandusky's Freshman Football team showed great promise for the future in recording a fine 4—1 record. Impressive wins were posted over Marion, Admiral King, Lorain Senior, and Fremont. The lone setback for the young Streaks came in their final game at Fremont. The Frosh displayed a potent offense and stubborn defense during the season scoring 140 points to their opponents' 26.

Leading the way for the Blue Streaks of tomorrow were halfbacks Clarence Wooton and John Mayfields, linebacker Tony Basilone, quarterback Bob Jackson, tackle Rich Smith, guards Greg Dreschel and Al Gant, and end Scott May.

HARRIERS

After closing out the season with a fine 5—1 mark and capturing the Buckeye Conference crown once again, the 1968 Harriers captured first place in the District, second spot in the Regionals, and fifteenth in state competition.

Picking up the top honors this year were Junior Rich Brown, and Seniors Al Ferguson and John Jefferson. Rich put in the finest time this season with a run of 10:00. Al picked up a close second spot with a time of 10:04. In third spot, John posted a 10:20 for the course.

Although Coach Wes Hartsook will be losing many outstanding seniors next year, S.H.S. will still see another fine cross-country team with their hopes set on another B.C. crown and a great showing in the state meet.

BC CHAMPS

BC CHAMPS

For the second consecutive year the Blue Streak Cagers captured the B.C. crown. After the first three games, though, the Streaks were in the basement with a record of 0—2 in Conference play and 1—2 overall. But, when they got rid of their football shoes, they climbed to the top by reeling off 15 consecutive wins, a new school record.

Junior sharpshooter John Farris led the scoring attack for Coach Bob Beachy's squad with 369 points for an outstanding 20.5 average per game. Senior Tony Hosfeld came in second with 324 points for an 18 point average. Lino Venerucci led in the rebound department with a total of 252, 136 were defensive and 116 offensive. Dave Rather was second with 162 rebounds, 114 defensive and 48 offensive.

Members of the Thousand Point Club were Lino Venerucci—1750 pts., Tony Hosfeld—1343 pts., John Farris—1285 pts., Dave Rather—1280 pts., and Dick Sampson—1042 pts.

John Farris was a unanimous choice for a first team berth on the all-Buckeye Conference Team. Tony Hosfeld was also picked to the first team.

With the returning Juniors and this year's reserves, the outlook for next year can be very exciting.

This year's Jay-Vees recorded another record for wins in regular season play with 15 and only 3 losses. These three losses were by a total of only 8 points. Scott May was the leading scorer and rebounder for Coach Leffler's reserves. Two outstanding players were Mark Deming and Ben Chapman. Others deserving of honorable mention were Tim Kelley, Jerome Augustus, Richard Alexander, and Tony Harris.

With all these fine reserve cagers moving up to the Varsity next year, we can all expect another great season.

This year, under the direction of coaches Kenneth Bracy and J. B. Flynn, the Freshmen Blue Streaks posted a fine 7—3 record during regular season play. We can all look forward to seeing many, if not all, of these players in reserve action next year.

This season proved to be a very disappointing one for Coach Vern Pinkerton and his swimming team. Of a total of ten dual meets, only two of them were won by our tankers. These two wins were against Mansfield and Mentor. But, more school and pool records were shattered this year by our swimmers.

Junior Paul Gilbert set new standards in the 100-yard freestyle with a time of 50.3, the 200-yard freestyle with a time of 1:53.6, and the 100-yard backstroke, turning in a time of 56.0. All three of these were both school and pool records.

New school records were also established in the 400-yard freestyle by co-captain Kurt Yost with a time of 4:21.4 and the 200-yard medley relay by the team of Paul Gilbert, Bill Coyle, co-captain Phil Skirball, and Dave Swander with a time of 1:46.7.

With the many fine Juniors and Sophomores returning next year, we can expect a really great season and many more records broken.

This year the Sandusky Blue Streak Matmen captured their first Buckeye Conference Crown in their eight-year history. They beat out last year's champs, Elyria, by 23 points. The individual champs were Ron Collins—103 lb. class, Dennis Chupa—120 lb. class, Thelma Towner—133 lb. class, Nate Shaw—154 lb. class, and Sam Amison—175 lb. class.

The Matmen also completed their first undefeated season (8 wins—0 losses) since being organized. Ron Collins (co-captain), Jeff Brown, Dennis Chupa, Thelma Towner, and Sam Amison (co-captain) went undefeated in dual competition.

The Streaks returned to Worthington and captured that championship for the second year in a row by scoring 119 team points. The individual winners for the S.H.S. Matmen were Thelma Towner, Jim Braeunig, and Frank O'Hara.

The Berea Invitational was also won by the Big Blue with a total of 98 team points. The individual winners at Berea were Thelma Towner, Frank O'Hara, Nate Shaw, and Harry Peless.

All but four of the wrestlers are leaving this year: Thelma Towner, Jeff Brown, Nate Shaw, and Jeff Dubois. With these four boys and the up-coming reserves, another great season can be expected.

The 1968-69 Reserve wrestling team put in a fine performance with 5 wins and 2 losses. They scored a total of 205 points while their opponents scored a total of only 86 points. The Reserves also won the reserve invitational tourney by placing 9 of 11 men in the top three places and by scoring 82 team points. Individual champs were Jim Register—133 lb., Jeff Ward—165 lb., Jeff Hessler—175 lb., and Jeff Herhold—heavyweight. Junior Jeff Hessler was the most outstanding wrestler of the year with a dual meet record of 6—0, five of which were by pins. Greg King and Mike Donahue were also deserving of honorable mention with perfect scores.

KNEELING: L—R Tom Haley, mgr., Craig Wolfe, Tim Whittaker, Jim Register. **STANDING:** Coach Colatruglio, Jeff Ward, Mike Donahue, Jeff Herhold, Jeff Hessler.

INTRAMURALS

SHS boys had another interesting and exciting season of Intramural Basketball. The champs for the Upper and Lower divisions are, in respective order, the Solid Soul and the Soul Steppers.

The Soul Supporters, Honkey Trotters, Integrated Globetrotters, Detroit Riots, Soul Plus Three, Boston Celery, and P. T. Raiders were the other teams in the Upper Division. The Lower Division teams were the East End Trotters, Raiders, and Lucky 13.

Curtis Horn, Sam Porter, Greg Peck Thomas, and Rich Deeter were the top scorers in the Upper Division.

Under the direction of Mr. Currence these boys learned the art of winning and losing a hard fought battle.

Once again SHS girls were able to participate in Intramural sports. This year was characterized with such activities as swimming, bowling, and gymnastics. The central idea behind the program is for the girls to keep in good physical condition and yet have fun at the same time. Under Miss Comstock's supervision this was achieved, as the photograph at the right clearly illustrates.

The 1968 edition of the Cindermen bounced back to win the Buckeye Conference crown after a disappointing second place in 1967. The Streaks also placed first in the Marion Night Relays for the third consecutive year, retiring the trophy. Mr. Hartsook's squad also registered a first place in the district meet. Above all, however, Sandusky had the distinction of tying for second place in the state track meet which was held in Columbus.

This year many letter-winners and record-setters are returning and again under the direction of Coach Wes Hartsook, another great season will be in store for S.H.S. track fans.

NETTERS

The Blue Streak Netters of 1968 lost the Buckeye Conference championship match to Mansfield by one point after compiling an impressive 9—3 season mark. Under the direction of Coach Flynn, the tennis team established its reputation as a winner.

Although the bulk of the team is gone this year, many fine players are still remaining and another good season can again be expected.

The 1968 golf team, led by coach Dave Deringer, closed its season with a greatly improved 6—5 record. Led by medalist Phil Theide, the Linksmen finished third in the Buckeye and rounded out season play with four consecutive wins. The most impressive win of the year was over district champs, Ashland. Great accomplishments can be expected of this fine team, as the entire varsity returns this year.

STUDENT

The Sandusky High School Student Council provided a forum for student expression and developed the attitude and practice of good citizenship. The members of Council were elected by their homerooms in September. Seniors had two representa-

tives per homeroom while underclassmen homerooms and school clubs had one each. Business was taken care of in meetings on the first and third Wednesdays of each month. For the first time, the

EXPRESSION

workload was handled by 8 standing committees, each with a responsible chairman. Mr. Donald Nath and Mr. William Carver helped the Council to carry out the Executive Banquet, the collection of class

dues, the United Fund Drive, and the decoration of the school for Christmas. Our new sign was placed in front of the school as a special project of Student Council.

The S.H.S. Chapter of the National Honor Society of Secondary Schools is an honorary organization that promotes character, scholarship, leadership, and service, which also serves as criteria for membership. A talk by Superintendent Smith, a Christmas Party in the Supplementary Center, and a discussion of timely school problems enlivened the monthly meetings. The high point of the year was the Induction Ceremony for the new members selected by the Faculty Council. A junior needs a 3.3 and a senior a 3.0 average in order to be eligible.

People Who Write the Book

This year's *Fram* staff under the guidance of Mr. Charles Welton, spent many hours in preparing what

you now read. The 12 editors and 5 assistant editors were chosen last spring by the advisor. Each person was responsible for the copy and pictures in his

section. They learned their trade by attending workshops like the one at Bowling Green State University. Fast approaching deadlines kept the *Fram* people

busy seventh period and often long after the 3:30 bell. The result was a book which is better than ever.

Press

Current news and student interests were the concern of the Sandusky *Hi-Lites* Staff. They met with Mr. Bruce Smith every morning first period. Within this time stories were assigned, written, edited, typed, and pasted-up in page layouts. The product of all this work was our school newspaper, released every other week.

I HEAR A

The Sandusky High School A Cappella Choir was a carefully chosen group of 102 sophomores, juniors, and seniors who studied and performed difficult choral music. Choir was the focus of the Vocal Music Department, the point toward which each member of

Boys' and Girls' Glee Clubs aspired. The 3rd period rehearsals, sectionals during lunch, coming in on Saturday to fix the set for the Christmas encore, and having your candle blown out at the concert were happenings that each member will never forget. Under

MELODY

the direction of Mr. Donald Forsythe, A Cappella became one of the best high school choral groups in Ohio.

This year's Christmas concert marked the thirty-fifth anniversary of the Choir. Former members were invited to attend the special

concert. In addition, the Choir sang various other programs. Outstanding among these were the Buckeye Conference Choir Festival, the Easter performance, the Robing Ceremony, and Commencement.

KEYNOTES

The keynotes were a performing organization of select voices from the A Cappella Choir. The group sang for a number of community affairs such as dinners and social events. At their weekly rehearsals the members learned the fundamentals of ensemble singing and performance. The highlight of their season was a musical, put on in the spring.

GLEE CLUBS

During their daily meetings both Girls' and Boys' Glee Clubs spent time perfecting choral selections and studying the basics of vocal music.

The Boys' Glee Club, new this year, was composed entirely of freshmen. Girls' Glee had members from all four grades. The main objective of these two singing ensembles was preparation for A Cappella Choir.

The groups sang separately and together in local concerts, performing with the Orchestra in the fall and with the A Cappella Choir in the Easter concert.

BELL CHOIR

Our high school was lucky enough to own a set of handbells. These were used mainly as accompaniment to the A Cappella Choir. Members of the Bell Choir were selected from A Cappella for their musicianship and sight-reading ability. The most significant performance to come from their weekly practice sessions was the Christmas Concert.

Last year, band was more important than ever at SHS. Not only did it perform at football games, but also at concerts for the remainder of the year. To a band member, the year meant working like a dog to

learn music, worrying about the Buckeye Band Festival, and competing for first chair.

To Director John Aldrich and his assistants, Mr. Montgomery and Mr. Cope, band meant writing and

arranging music, designing formations, and writing narrations for the half-time shows during football season. During the winter, they offered the outstanding leadership which made our band one of the best.

It was a hectic year, but all gained an increased appreciation for music and the importance of co-operation.

STAGE BAND

The SHS Stage Band, under the able direction of Mr. Edward Albert, completed one of their most successful years.

This organization practiced every Wednesday to perform for various meetings, dances, and programs during the season. The members were picked from Band for their abilities in performing jazz and rock selections.

HOBO BAND

Dressed in traditional tattered garb, the Hobo Band performed for an enthusiastic crowd at Cedar Point last summer. This school year the group played for such functions as the Elyria football pep rally and the Pigskin Parade.

MAJORETTES

An integral part of SHS activity and leadership was our majorette squad. The majorettes were chosen on twirling ability, character, appearance, and grace.

A certain academic standard also had to be maintained. The Sesquicentennial, Miss Ohio Pageant, and Cedar Point parades were among their various activities. Garters, flag batons, dumping the can of white gas and kerosene needed for fire batons, and dance routines summarized a successful football season.

The Sound of a

The Sandusky High School Orchestra, under the direction of Mr. David Stanton and assistants, Miss Annette Durato and Mr. James Konzen, once again completed a successful season. Their goals were to attain a broad insight into music,

from Wagner's *Lohengrin* to *The Sound of Music*, and to bring enjoyment to our community.

In addition to presenting various school

Symphony

concerts, they also performed for the Kiwanis Club, the Keynote production, and the February Concert. The District II Music Festival and the Buckeye Music Festival were the two big events

of the year.

What did it mean to be in Orchestra? It was a great organization which afforded a chance to learn, play, and appreciate music.

THE PL

Last year, the Dramatics Club officers were able to involve all members by assigning them to useful committees. In this way everyone learned the knack of producing and acting in all types of theatrical work. With the help of Miss Patricia Mellen, the Club put on a fall and a spring production. The members will all remember the long hours of practice, learning their lines, and the final big night.

Field Service students, who became such an important part of life at S.H.S., Estela de Filippo of Argentina and Andreas Johswich of Germany, were sponsored by this organization.

The club meetings on the first and third

Wednesdays of each month were highlighted by programs such as the ones given by Robert Wandtwadi, an A.F.S. student, on the Congo, Dr. Kramer of Heidelberg College on Greek excavations, and Mr. Johnson on his experiences as a Peace Corps volunteer in

Ghana. The Christmas Party, sponsored by the Latin department, and the Spring Carnival were high points of the year. The Club initiated such projects as the first spirit march, the first bake sale in the main lobby, the club newspaper, and the installation banquet.

in Motion

The Sandusky High School Swan Club, assisted by Miss Sally Richards, took in new members in the fall. Monday practices for the show began immediately following initiation of the new members.

The 1968-69 season was highlighted by the spectacular show entitled *Portrait of a Lady*, in which senior soloists were Laurie Beamer and Mary Ann Palazzo. In the

spring a banquet was held in honor of the senior members.

Scraping candle wax off the gym floor after the initiation, the five-days-a-week practice sessions for two months before the performance, losing a skull cap five minutes before the number was scheduled to go in, and the all-night party after the last show were things Swan Club members will never forget.

HERE WE GO,

Sandusky High's Pep Club was an organization dedicated to the promotion of school spirit. The Varsity cheered at most varsity home basketball games, at one that was away, and at the tournament encounters. The

Reserve club reached new heights in supporting the reserve basketball team at home. Members' memories were doing the wrong motions, being up when you should be down, and getting dismissed first after a game.

BLUE STREAKS

Miss Judith Maurer served as advisor for the year and was present at the meetings held every Thursday to learn and practice cheers. Pep Club was responsible for such things as the Food Gifts for Christmas drive,

the new spirit ribbons, and the wall decorations for basketball season. The names of the new officers were announced at the annual picnic in the spring.

Varsity "S" was once again a valuable asset to our school. Aided by Mr. John Tabler, they participated in such traditions as the daily flag raising and the ringing of the Victory Bell at football games. They helped stir up spirit by sponsoring pep dances and closed the fall sport season with the glamorous Pigskin Parade.

Speech Club

In addition to debate, Speech Club, in their second year, proved that they could add to the pride and prestige of Sandusky High School. They undertook much research and as a result gained practical knowledge which was later used in many contests. Enunciating and maintaining eye contact were continually drummed into them by their advisor, Miss Patricia Mellen. "Wait until next time" was their counterattack whenever they suffered defeat. Chess

The S.H.S. Chess Club was on the move again. After Thanksgiving, Mr. Carver, the club advisor, invited all those who enjoy chess to start their practice play in room 253. An S.H.S. champion was determined in March by double elimination in each of the three divisions: beginners, girls only, and advanced.

Arts and Crafts

The Arts and Crafts Club was a very ambitious organization made up of those interested in learning about the many fields of art. Two projects were making school pennants and doing wall plaques. The members also took a bus trip to the Toledo Art Museum. Advisors were Mr. Charles Welton, Mr. Donald Nath, and Mr. John Clovis.

Radio—Electronics

The Radio-Electronics Club met every first and third Monday under the supervision of Mr. Edward Schilman to learn about electronics. The main interest of the members was in operating radios and getting ham radio licenses.

Science—Math

Science-Math Club was entertained during the year with a chemistry magic show, a planetarium program, and several films at its meetings on the fourth Tuesday of each month. The members were sophomores, juniors, and seniors who wanted to learn about the more unusual facets of science and math.

Cooperative Office Education readied the participants for stenographic, clerical, and bookkeeping jobs. Qualified senior students were selected in February of their junior year. Miss Judith Maurer then spent fourth period of each day in helping them perfect their office skills. As with D.E.C.A. and O.W.E., the students enrolled worked half the day in a local business and were paid according to regular wage standards.

Job

D.E.C.A.

Distributive Education Clubs of America provided training in merchandising, marketing, and management. Mrs. Ruth Schmidlin handled the classroom sessions and served as the middleman between SHS and the businessman employer. D.E. gave the students perhaps the best educational experience of their high school careers because it furnished them with skills needed to earn a living after graduation.

O.W.E.

Occupational Work Experience was open to selected juniors and seniors who wanted and needed employment along with school work. Course credit received was equal to the number of hours worked each day. All participants met with Mr. Donald Coe in an O.W.E. related class third period before going to work.

Commercial Club

Members of Commercial Club became acquainted with the business world. Representatives from industry related the opportunities as well as the problems in their work. They helped to provide the Club with the knowledge necessary to combine classroom theory with experience.

The purpose of Future Nurses' Club was to stimulate interest in careers in medicine. The officers and Mrs. Mary Winkler worked together to achieve this goal. In meetings this year, the girls listened to speakers from nursing colleges, heard the lecture of a pediatric nurse, and saw films on medicine. Club activities included Christmas caroling at the Soldiers' and Sailors' Home, a field trip to a near-by hospital, and a visit to the Betty Rinderle School for Exceptional Children.

Future Teachers' Club was open to sophomores, juniors, or seniors. Under the guidance of Mrs. Susie Wisdahl, this organization acquainted those interested with the different phases of teaching.

The Club sponsored many service projects including a program to assist teachers and the maintenance of the Paperback Bookstore in our library. Highlighting the year's events was elementary observation in local public schools and a trip to Heidelberg College.

SHS students devoted their study halls and other spare time to assisting the employees in the school offices and libraries. In the Main Office, Athletic Office, Adult Education Office, and Audio-Visual Aids Office, these students were continuously kept busy running errands and answering telephones. Aides were also invaluable in helping the librarians keep the library running smoothly for student use. The Health Center Aides provided excellent assistance to the school's medical staff. Many times the work of these assistants was taken for granted. They should be commended for their fine efforts to help the school maintain its efficient operation.

Student Advisory Commission

The Student Advisory Commission was proposed in the summer of 1968. It was a board of students selected to reflect the thinking of the entire student body. The Commission received complaints and discussed ways to combat these situations which were brought before them. This commission of students and teachers was a new and unique idea to serve the faculty and members

at Sandusky High School. Members included Debbie Wagner, Terry Gosser, Noreen Delaney, Betty Brown, Terri Damm, John Jefferson, Barb Nickelson, Harrison Phillips, Tom Ruffin, Ken Leighton, Brenda Halladay, Robert Steele, Derek Hutchins, and Paulette Bogert. Faculty members were Miss Mellen and Mr. B. Smith. The Commission advisor was Mr. Freitas.

UNDERCLASSMEN

CLASS

President Jim Kirnel

Vice President Greg Seavers

Again this year another class of Freshmen has hopelessly wandered through the halls of Sandusky High School in sheer bewilderment. Now we are finally finding our way to goals and achievements we hope to reach during our remaining years at S.H.S. This being our first year in high school, we haven't really had a chance to distinguish ourselves as of yet; but we have the accomplishments of past classes to strive for and surpass. With evidence of our past records, we believe these goals can and will be reached. Throughout our years at Sandusky High the class of '72 hopes to gain a sense of respect, leadership, and honor, as well as to set a good example for all the classes yet to follow.

CLASS

President Tony Harris

Vice President Alan Green

When the class of '71 went through their sophomore year, confusion of their freshman year was left behind. They came in knowing what was expected of them and did their best to fulfill these expectations. They started the year with plans for a sophomore spirit week, car wash, and other activities. All the projects they carried out were big successes. They left their mark in the United Drive and they did their best in the class dues drive. Last year this class was labeled as just another freshman class. Viewing the progress the sophomores made, that opinion has changed. They have now reached the halfway mark. The only direction there is to go is forward. The future challenges the class of '71 and if they continue as they have their sophomore year, it is assured they will fill the empty shoes of the upperclassmen; maybe even stretch them a size or two.

President John Wahlers

Vice President Nate Shaw

You are almost there. Your Junior year is over and you won't be second best anymore. Money making and class dues were your problems, but you found the solution in three successful carwashes and by working the basketball concessions faithfully. You lent SHS your soul during Junior Spirit Week and ended your seven days with a Pep Dance given for the school. You cheered your team with all your heart, for Juniors played on Varsity and you were proud. You had sampled college boards and had your fill of those chemistry exams. Yes, you were coming up in the world. You wore a class ring and maybe even drove to school once in a while if you were lucky. (At last you knew the ropes.) You sneaked unnoticed into the lunch line and slept undisturbed in study hall. You grew up but you still weren't ready. You still have one more year and twice as much to do in it. Class of '70, have you made your mark? You deserve a lasting impression.

ADMINISTRATION

METAMORPHO

This year we saw the appointment of Mr. Robert Smith as our new Superintendent of Sandusky Public Schools. After receiving his Bachelor of Science degree in Education from Ohio State, he continued on at Bowling Green State University, where he holds his Master's degree in Educational Administration, and completed the requirements necessary for a Specialist In Education degree.

In ten years, from 1951 to 1961, Mr. Smith held positions as a teacher, as an elementary and junior high principal, and as administrative assistant in several schools in Lucas County, Ohio. In 1961, he continued as Superintendent of the Lakota Local School System until 1964 when he became Superintendent at Bellevue.

As our superintendent, Mr. Smith's job encompasses vast areas, including finances, hiring of personnel, and selecting curriculum. He is, as well, directly responsible to the Board of Education.

We hope his stay will be long and pleasurable.

A teacher is not a fact dispenser, a money taker, a warden, a paper collector, an Ichabod Crane, or a Miss Grundly. Rather, the idea of a teacher is that of a guide . . . introducing tourists to the marvels and sometimes seemingly insignificant details of a great panorama. The teacher is the guide, the tourists are the students, the panorama, life itself!

Being a teacher is more than being a salaried employee, holding down an 8 A.M.—3:30 P.M. job. A teacher must encourage, stimulate, and develop not only the intellectual growth of students, but also, their social, cultural, and even moral growth. A teacher must be a human being and realize that he is working in a human situation. A machine can dispense knowledge, but it cannot react to

the human stimulus nor encourage any development except the intellectual. Therefore, the teacher must be willing to discipline, but yet, seek to understand and advise; teach during the day, but be willing to serve at games, car washes, and all student functions and be ready to use his free time to bring about a total development of his pupils. Many times this has to be done without monetary reward, but a look of assurance and a smile are worth much more than a few extra dollars to a dedicated teacher.

June 5, 1969 ended four years at Sandusky High School for 400 Senior men and women. We have gone from the confusion and bewilderment of that Freshman year to the security and hecticness of that all important Senior year.

As Freshmen we supported an undefeated, UPI, State Championship Football team. Our own Frosh basketball team also enjoyed an undefeated season.

As Sophomores we were indoctrinated into the ways of SHS, and again we cheered an undefeated football team to success.

It was in our Junior year however that we really became an actual part of Sandusky High School. For the first time many Junior athletes participated in a varsity game. Their contributions were great as our Basketball, Cross-Country, Football, and Swimming teams cornered Buckeye crowns. Outside of sports, we as Juniors were active members in organizations like Keynotes, and Dramatics club. Also twenty-five members of the Junior class were inducted into the National Honor Society during our Junior year. Another highlight of our Junior year was the Mock Political Convention.

On September 4, 1969 we entered Sandusky High School for our last year as students there. We were now Seniors, a goal we had aspired to reach for four years. No Senior could forget that fateful night when the Basketball team secured the BC crown or when the Wrestling team did the same. It would be impossible for us to forget such things as; bomb scares, expository papers, stock reports, the Dust Bowl on a Sunday afternoon, Auditorium discussions, the Library, late hours, the all night party and most important of all Graduation Night. On June 5, 1969 we were graduated from Sandusky High School. We left the school behind, but not the memories.

S.H.S. greeted the new semester with three new faculty members. Mrs. Rita Tessman and Mrs. Karen Dornhecker took over classes in the English Department, while Mr. Blaha guided Distributive Education students.

S.H.S. also welcomed into its ranks Andy Rabary, our foreign exchange student from Madagascar. Andy captivated us all by his ability to speak five languages, his wide smile, and his easy going ways. He became an integral part of S.H.S. life and a friend we shall never forget.

Another change this year was Mr. Gene Kidwell as head football coach. A letter of congratulations was presented to him by the Student Council, as a token of our support in all his future endeavors and hope that our S.H.S. football squad may continue in its outstanding performance. With Coach Kidwell guiding the team, though we have little to fear.
